## DEMOCRACY

A Democracy is Founded Upon Equal Rights, Equal Duties and Equal Responsibilities For All Citizens.

### REPUBLICAN VICTORY

We drafted, Judge Spencer, were the remarks made by Hon. John St. John, chairman of the Republican City Central Committee, before the legislative session in August. The remarks were expressions of thought, insight and good political judgment. As is characteristic of true and great leaders, Mr. Schenck had to defend a Clean Record, and a clean race on a clean platform. Of course, he could not force the "clean sweep" that was the result of the Republican party at the polls last Tuesday. But it shows by his knowledge of heart and purpose of the Republican party to win on merit.

The only possible terrible mistake that was made, was by the leaders in their efforts to deal on the square with their fellow Democrats, failed to put a man in the field against Mr. Foss in the Trent Congressional District. Had they done so, there is no doubt that one more Republican would have a seat in the House of Representatives. The "drafted" method should have been used, after the Democrats failed to keep their promises, and yet a man to the race.

Negroes resented the insult and the false accusations made against them and their brothers who are now saving that country, by voting the straight Republican ticket. Those same folks have heretofore voted with and for Democratic candidates turned against them on last Tuesday's account of the attacks made by the Democratic leaders and their party friends—The St. Louis Republic. They were found returned proclaiming in the language of the matchless leader, Frederick Douglass, who he said, "The Republican party is the ship, all else the sea." Those of us who had thought Mr. Folk was a pretty good fellow, adopted the "Republican City Committee's" slogan, "Goodbye Joe," because he was in the wrong place. We congratulate Mr. Schenck and the party he represents.

### NEGRO AUXILIARY REPUBLICAN PARTY

United and working in perfect harmony with the Republican State Committee was the Negro Auxiliary, headed by Aaron E. Malone, with offices in the International Life Building of this city.

The work of this committee is patriotic, "patriot" and enthusiasm into the negro voter of the State had its most telling effect.

Mr. Schenck, who never boasts of his political strategy, proved to be the right man in the right place. The results were wonderful, considering the odds, and the power of the influence. That he is a leader of men was shown by the fact that he had the most hearty co-operation of the new class of people throughout the State. We congratulate the State Committee on its wise selection in placing Mr. Malone at the head of the Auxiliary. We congratulate Mr. Malone because he was honored with the privilege of doing the things that he long wanted to do—honor Judge Spencer. We hope that the present organization will remain intact, because it is now composed of good and active men of the race. And two years hence they will be able to do even better work, than they did in this year limited time.

### A LESSON TO THE DEMOCRATS

No one seems to be able to point his finger directly to any one cause for the Republican's success in the cause of the Negroes' interests. One fact stands out most prominently, that had its telling effect, was that the Democrats, understood, as they usually do, to win the election of the Negro, and by their ignorant inference that only Negroes were born legal Americans.

It is unfortunate for them that they allow that class among their own to lead and speak for their party who have only those unique ideas of human rights.

The days of darkness are fast passing away. The men and measures of the past cannot last, and there by crushing the less fortunate, the state policies are shocked upon today as being unworthy of serious consideration by the thinkers and leaders who are doing the thinking.

Look back to your Southern restoration, proved to be only a farce. Their claim that the Republicans were decapitated and disbanded was for the sole purpose of showing their own souls.

The result of the Negro's election in this State is not a vindictive or spiteful election, but on the more telling effect of the past.

Notwithstanding the short-sighted aspect of President Wilson, the people have demonstrated a strong patriotic and disinterested sense of a Negro's made man.

It almost looks like a pity to see how far short the Democratic ticket fell of its expectations in this city and State. But, as was expressed by one of the successful Republican candidates, "The Democrats can always be depended upon to do the right thing at the right time."

This should be a lesson.

HAITIAN MINISTER SUMMONED BY DEATH

Washington, D. C., Nov. 7.—Ferdinand J. McRae, well known real estate man of this city and former representative to Congress from St. Louis, died yesterday morning at Washington to the age of 65. He was a resident of Leavenworth, under George E. Hayes, director of Negro economic affairs. McRae is to have special charge of the Negroes' welfare work and at other industrial centers. He has special qualifications for this important work.

ST. LOUIS BOY WOUNDED IN RECENT BIG BATTLE

Special to The St. Louis Argus  
St. Louis, Oct. 13.—Just a few words to you, my dear friends, to show that I am rapidly recovering and am a patient in an American Red Cross Hospital near Paris, France, where we are all in excellent shape. I have been slightly wounded, but none of us are seriously wounded; but none of us are seriously wounded. The Captain nurses and doctors are painstaking and expert. I have heard from home every day, while in the hospital, and will say that we are not bad in trenches because we do not stay in trenches any more. I was in the first big battle that put the French to flight some weeks ago, when I was wounded.

Capt. Thos. J. Pickett,

Former Headwaiter of City Club Returns from France.

Special to The Argus  
Newport News, Va., Nov. 7.—I am pleased to inform you that I returned Monday from a very successful and pleasant trip to France. You will be surprised when I tell you of my meeting with the famous bandit, Harry B. McPhee, while there. He looked well and was astonished at my belief over there. I inquired of him concerning the St. Louis boys. He said that he did not see many of them.

I am now in good old America, but still with the American forces. It is a pleasure for me to know that I have been well received by the so-called tyrants of our present government. The Hon. Colm M. Sepp, Lt. Col. 1st Regt. U. S. Cavalry, told me that he had great work among the people in the name of the Lord. Although the war was rating he received members of his church to his home to their bedchests and well ones in the lake. His last baptism was on Sunday evening, Oct. 20, after a hard day's work. His final sermon was delivered with power and grace by the Holy Ghost. Rev. Foster left Chicago at 11:30 for St. Louis to be ready to administer to his flock as the closing order has been lifted.
